For the Week of 30th November 2008

Make 2009 Your Best Year with:

The annual Church Planning Day is the most important day of the year for every member at PP. It is the day when our leaders will share with the church our programme for the year, invite members to be involved and release our latest membership directory.

The day traditionally starts off with a sumptuous breakfast spread which brother Barnabas scouted from the best stalls. Then we got the year off with a rousing devotion. The core of the session are exciting presentations by our leaders with membership participation.

Before you know it, it's time for our lunch together. After that we go our separate way, blessed with the knowledge that we have started the year by putting God first.

Two are better than one, because they have a good reward for their labor. For if they fall, the one will lift up his fellow; but woe to him that is alone when he falleth, and hath not another to lift him up. Again, if two lie together, then they have warmth; but how can one be warm alone? And if a man prevail against him that is alone, two shall withstand him; and a threefold cord is not quickly broken.

- Ecclesiastes 4:9-12

With elder Eric Tan now serving as full-time missionary to China, a new elder is needed to serve in his zone

Our elders have been praying and working with deacon Winston Chong on the possibility of serving as PP's 6th elder and assuming the oversight of the East Zone that elder Eric will be vacating as he leaves for full-time missionary work in China (while continuing to serve as an elder in other areas).

We are happy to receive word that deacon Winston's family has been supportive of this invitation and that all the elders are in agreement of this move.

Deacon Winston has been assisting elder Eric in serving the East Zone members from the beginning. There was a Chinese New Year in which he opened his home on behalf of elder Eric (when his son Nehemiah was recuperating from surgery) to receive members. In his four years as a deacon, he has served with great devotion and energy.

It is our intention to install deacon Winston as an elder on the annual Church Planning Day on 1st January 2009. Members are asked to submit in writing to me, their concerns if any, why deacon Winston should not be appointed as an elder within the next 30 days - by 30th December 2008.
