# PP FAMILY NEWS

*Right: We rejoice that brother Kelvin Koo's former JC classmate, sister Daphne Sim was immersed into Christ at the 11am assembly last week.*

**Brother Lee Hock** will speak on "Peace I Give to You" at our morning assemblies today. Come back at 6pm to hear **brother Mac Ibra** speaks at the evening assembly on the subject of 'Habitation'.

Only 20% of our membership have **updated and initialised on your directory particulars** at the lobby. Brother Douglas will again be on duty today at the lobby from 10:30am-1pm to help you update your photograph. The exercise will end next week. We plan to release the 2010 pictorial directory in January.

**Join us this Wednesday at 10am** for SIBI's Open Bible Study on the book of Ephesians.

SPC's final series - **Transforming into Jesus' Living Church will be held at the SIBI hall from this week onwards.** Join us this Wednesday at 7:30pm for lesson 3 - 'Fellowshipping in the Living Church'.

**The Camp Committee** will share details of the 2010 camp today. We have a great speaker in brother Nat Cooper. Other congregations will be invited to join us. Looks like this is going to be the biggest and best camp to date.

**Visiting and returning members who wish to place membership at PP** can obtain a form from any of our staff. Our minister will take you through a session and then present you to the congregation on a Sunday morning worship.

More than 50 have already signed up for the **annual end-of-year youth camp.** Parents, please encourage your children to attend - it is a good way for them to befriend fellow youths. Date: 28th-31st Dec. Venue: Camp Challenge, Sembawang (meet at church building for coach transport). Camp fees: S\$70. Sign up with Olivia, Li Jun or Angelin.

We are looking for members who can mentor our contacts in China. With today's Focus is the abridged version of the **PP China Interest Group** manual. Take a look and then respond accordingly. The only thing missing from the actual copy are the full listing of the resource section. This manual provides step-by-step instructions and resources that will help you to keep in touch and mentor our Chinese contacts.
