REFLECTION OF THE JUNE CAMP 2010

When we drove into the church premise on the morning of June 16, I could immediately sense an air of excitement amongst the fellow-campers who arrived early.

GOD has certainly taken care of us throughout the Church Camp @ Bangi Equatorial, Kuala Lumpur. Before the camp, it was a frantic race of time to settle our tasks at work to prepare for the camp. I was later told that on that day, that there was a massive flood in Orchard Road and yet we all arrived on time and travelled smoothly, unhindered.

From the moment we were on our coaches, it was the beginning of **fun, food, fellowship and laughter.**

Fun - It was fun getting out of our homes, checking into the beautifully-adorn Bangi Equatorial and staying with our room-mates. Irwin brought us through an exciting and exhilarating afternoon of indoor games. Young and old, shy and extrovert, we defiled these elements and played

against each other in four good groups. Our team managed to win three games.

The excitement continues as we gather together and feasted on the durians in the car park.

Food - Food, food glorious food! Everyday we were offered an interesting range of food that makes us spoil for choice. We were never bored with the food. The spiritual food was of course better and we were fed to the binge each day. Don't need to collect it, unlike the durians.

Brother Nat Cooper who hails from America taught us lessons on 'Character counts' which entails the virtues of **Trustworthy, Respect, Responsible, Fairness, Caring and Citizenship.**

There was the clay making session led by elder Adrian which was both fun and exciting. Learning spiritual messages shared by brother Nat. 'But we have this treasure in jars of clay to show that this all-surpassing power is from GOD and not from us.' 2 Corinthians 4:7

Fellowship - With Fun and Food combine, there came the fellowship – during all the moments at the camp, we greeted, chatted, played and learned together with no deadlines in mind.

Laughter - this camp was fun, food and fellowship but laughter makes it a fabulous church camp.

So get ready to sign up early for next year's camp in 2011.

Eileen Lim

Day Of Good News

The four lepers in 2 Kings 7 had some good news to share. They stumbled into the Syrian camp and found it deserted. After helping themselves to the food and loot, they remembered the starving people of Samaria, shut in as a result of a Syrian siege. Their response was: "We are not doing right. This day is a day of good news, and we remain silent" (v.9). So they went and told their fellow Israelites about the provisions.

Despite their physical and social disadvantages, the lepers thought about others. They were thankful for what they had found and considered it too good to keep to themselves.

Do you know someone who needs to know what Jesus has done? Don't make excuses for what your lack of abilities. Instead, share the good news of what the Lord has done for you, and your life will take on new purpose.

**When we are thankful for what we have,
we want to share it with others.**
