NAMES OF GOD

ADONAI - My Great Lord

The Bible refers to God by many different names. Each name reveals some aspects of God's character and His relationship with us. The English version of the Bible simply translates His name as "God" and "Lord". However in the original manuscripts, several Greek and Hebrew names are used.

Adonai pronounced as 'adonay' is a Divine name, translated "Lord". It signifies the sovereignty and majesty of God. Our relationship to God is that of our master and provider. Adonai is the word the Jews always substitute for Jehovah in their reading of the Law, as they count it impious to pronounce this name.

When we call upon God in our prayers, we address His name with reverence, giving Him honour and glory due to Him. God's name is to be exalted and His name is above every name.

In John 20:28 we read the account of Thomas who was not present with the eleven when Jesus appeared after His resurrection. He doubted what the other disciples said about Jesus. He told his fellow disciples that unless he sees Jesus and touches His pierced hands and His side, he will not believe. When Jesus appeared later and asked Thomas to do what he wanted to do, he was very ashamed of his unbelief and cried out "My Lord and my God (Adonai)."

God will always be our Adonai, our Lord and our God, our foundation and stay. It is comforting to know that when we call upon His name, He is always there to listen to our concerns, heartaches and worries and cares for us. We must learn to trust Him in everything that we do.
