Please Pray for:

The spiritual growth of the HI. Help us to lean on God's strength daily. Be more Christ-like in our lives and activities.

Help us to take the opportunity to share your word with other people and be the light wherever we go.

Lord forgive us for the sins that we had committed and help us to flee from temptations.

The health of our parents. The health of brothers Chong, Chie Gee and Tommy Chong.

Vincent's job stress, give him the wisdom and Your peace at work.

Thank God for:

The protection and the wonderful fellowship we had at the church camp.

The wonderful blessings that You have given to us during the past 6 months and help us not to take them for granted.

REFLECTIONS OF THE HEARING IMPAIRED

Time flies! I have been serving in the Hearing Impaired (HI) at PP for 6 years. I thank the Lord for allowing me to serve in this ministry.

It is a unique ministry that need a lot of humility, perseverance and love. In PP HI, the members have different levels of understanding. I need to do more gestures rather than signing the exact English. In order to communicate, I need to draw and visualize. Many times, I have to be an actor too.

I have two godfathers in HI - **brothers Chong Woo Tai and Lee Chie Gee**. I respect them because I know they love the Lord and try their best to follow Christ. They never miss on Sunday unless they are ill or overseas.

Of course, the older sisters **Kim Mui, Mary Wee and Toh Yock** treat me as their son too. Often, they rebuked me when I eat too much during lunch. Also, sisters **See Mui and Mimi** are very special. They help us to explain the lessons in simple manner so that the other HI can understand. **Brother William Chong**, the youngest among us is eveready to serve whenever the opportunity arises.

The HI encourages me by their example as they are very supportive in our Church activities. Last October, 11 of them went for a mission trip in India.

Often, I am complacent and lazy and I neglects the HI. Last month, brother Patrick, elder William Wong and I revived **the HI Men Care team**. Our objective is to build one another up in the Lord and we are meeting on alternate Tuesdays.

Most of all, I hope we can become **Prayer Warriors** so that we pray until something happens and pray till the Lord returns.

In conclusion, I thank the Lord for guiding me in this ministry. I also want to thank the hearing workers for encouraging me to persevere in this ministry.
