NAMES OF GOD

JEHOVAH JIREH - The Lord will provide

God told Abraham to offer his son Isaac as a burnt offering. Abraham named this place after **Jehovah provided** a ram to sacrifice in place of Isaac.

Abraham looked up and there in a thicket he saw a ram caught by its horns. He went over and took the ram and sacrificed it as a burnt offering instead of his son. So Abraham called that place The LORD Will Provide. And to this day it is said, "On the mountain of the LORD it will be provided." Genesis 22:13-14.

It is comfort to know that Our God is the Lord who provides.

In Genesis 3, after the fall of man, God provided Adam and Eve clothes to cover their nakedness. Another incident, when the Israelites were in the wilderness, God provided them with food from heaven.

I learned the Lord will provide during the outing with the residences from an old folks home. The old folks like to go to parks. I noticed that for a few outings to the park, but the weather forecasted 'rain'.

I remembered one incident when the church at Bedok brought a group of old folks on wheelchairs to West Coast Park. As we were approaching the park, dark clouds engulfed the sky. We knew that there was no shelter in the park.

After pushing the old folks a few minutes, we found a huge tent left by another group. So we all gathered in the tent and soon there was a heavy downpour. We thanked the Lord for providing us the shelter.

The Lord will give us the best. **Did you ever pray for something, and the Lord gave you something better instead?**

I remember after my Basic Military Training (BMT) in Bedok camp, I was supposed to be posted to Guillemard

Camp as a clerk. I was happy and excited that I could attend the Midweek Bible class at the Geylang church of Christ during my night off. Nevertheless, I was rejected by the chief clerk of Guillemard Camp and was sent back to Bedok Camp. It was a great rejection as all my plans were destroyed.

A few days later, I was posted out to Beach Road Camp as a storeman. Well, I could go home daily and could go shopping during my lunch time. Eight months later, 4 storemen and I were posted to Bedok camp to take charge of a new warehouse.

This incident showed me that God has given me, the best during my National Service. God had given us so many blessings in our lives but many times we took them for granted. In conclusion, I want us to remember the following verse, and count our blessings daily.

And we know that in all things God works for the good of those who love him, who have been called according to his purpose Roman 8:28
